

The Lord's Prayer

Nick & Becky Drake, Mark Powley

Verse 1

Father in heaven, holy is your name
We'll say it every day, time and time again
Father in heaven, you will always reign
Let heaven come to earth, now and every day

Chorus

The Lord's Prayer
Still our prayer
Through the years, everywhere
Words to lead
Words to guide
Words that light up our lives

Verse 2

You're the provider of all we need to live
Take away our sin and help us to forgive
Lord, please protect us from all that tries to tempt
And help us to choose you and all that's good instead

Bridge

These are the words that Jesus spoke
He taught us how to pray
He showed us how to talk to God
He gave us words to say

These are the words that Jesus spoke
He taught us how to pray
This is the world we're dreaming of
So join along today

End

Yours is the kingdom, yours is the power
All glory to you, now and evermore
Amen
